The Initial Subscription Period and any Renewal Periods are herein referred to as the "Subscription Period" or "Term."

THE LIMITATIONS SET FORTH IN THIS SECTION SHALL APPLY EVEN IF END USER'S REMEDIES UNDER THIS LICENSE FAIL OF THEIR ESSENTIAL PURPOSE.

8. Indemnification

(a) In the event that a suit or action for alleged intellectual property infringement arising from the sale or use of the Licensor products is brought against Licensee and to the extent such third party claim is not covered by Section (B) below and does not relate to a breach of this License by Licensee, Licensor shall defend and indemnify Licensee for such dispute, provided that: (i) the claim of infringement is solely based on the sale or use of the Licensor product; (ii) Licensee shall have given Licensor timely written notice of such infringement claim and provide reasonable cooperation, information and assistance in connection therewith; and (iii) Licensor shall have sole control and authority with respect to defense or settlement thereof. (b) Notwithstanding the foregoing, Licensor shall have no liability or obligations to the Licensee hereunder with respect to any intellectual property infringement or claim thereof based upon (i) use of the Licensor products in combination with devices or products not purchased hereunder where the use of the Licensor products alone would not be infringing; (ii) use of the Licensor products in a manner inconsistent with the Documentation or in an application or environment for which such Licensor products were not designed or contemplated; (iii) modification of the Licensor products; (iv) any claim of infringement of a patent based on use

of Licensor products purchased hereunder in which the Licensee or any of its Affiliates has an interest in or license to that patent; or (v) any claim of infringement made with respect to use of Licensor products purchased hereunder after Licensor notifies the Licensee of the possibility of infringement. Section (a) states the entire liability of Licensor with respect to infringement of intellectual property by the Licensor products or any part thereof.

(c) If any action is instituted by a third party against Licensor relating to (i) Licensee's or End Users' use of the Software, whether resulting from a breach of this License, tort, or other claim, Licensee will defend such action at Licensee's own expense on Licensor's behalf and will pay all damages attributable to such claim which are finally awarded against Licensor or paid in settlement of such claim. Licensee shall not settle any claims by a third party that allocates any liability to the Licensor without the prior written approval by Licensor of that settlement. This subsection will not apply to the extent that Licensor has any indemnification obligation with respect to such claim pursuant to Section 8(a).

9. Warranty

TO THE MAXIMUM EXTENT PERMITTED UNDER APPLICABLE LAW OR AS OTHERWISE PROVIDED HEREIN, LICENSOR, ON ITS OWN BEHALF AND ON BEHALF OF ITS AFFILIATES AND ITS AND THEIR RESPECTIVE LICENSORS AND RESELLERS, EXPRESSLY DISCLAIMS ALL OTHER WARRANTIES, WHETHER EXPRESS, IMPLIED, STATUTORY, OR OTHERWISE, WITH RESPECT TO THE SOFTWARE PRODUCT, INCLUDING ALL IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE, AND NONINFRINGEMENT, AND WARRANTIES THAT MAY ARISE OUT OF COURSE OF DEALING, COURSE OF PERFORMANCE, USAGE, OR TRADE PRACTICE. WITHOUT LIMITATION TO THE FOREGOING, THE LICENSOR PROVIDES NO WARRANTY OR UNDERTAKING, AND MAKES NO REPRESENTATION OF ANY KIND THAT THE LICENSED SOFTWARE PRODUCT WILL MEET THE END USER'S REQUIREMENTS, ACHIEVE ANY INTENDED RESULTS, BE COMPATIBLE OR WORK WITH ANY OTHER SOFTWARE, APPLICATIONS, HARDWARE, SYSTEMS, OR SERVICES, OPERATE UNINTERRUPTED OR ERROR-FREE, MEET ANY PERFORMANCE OR RELIABILITY STANDARDS, BE FREE OF VULNERABILITY TO INTRUSION OR ATTACK, OR THAT ANY ERRORS OR DEFECTS CAN OR WILL BE CORRECTED. LICENSOR SHALL HAVE NO LIABILITY FOR ANY CLAIMED NON-CONFORMANCE OF THE SOFTWARE PRODUCT UNDER ARTICLE 35(2) OF THE UNITED NATIONS CONVENTION ON CONTRACTS FOR THE INTERNATIONAL SALE OF GOODS, EVEN IF SUCH CONVENTION IS FOUND TO BE APPLICABLE TO THIS LICENSE, THE SOFTWARE OR THE TRANSACTIONS HEREUNDER. LICENSOR ALSO STRICTLY DISCLAIMS ALL WARRANTIES WITH RESPECT TO ANY THIRD-PARTY MATERIALS. LICENSOR ASSIGNS TO END USER ALL WARRANTIES PROVIDED BY THE OWNERS OR LICENSORS OF ANY THIRD-PARTY MATERIALS TO THE EXTENT THEY ARE ASSIGNABLE.

THE WARRANTIES IN THIS SECTION 9. ARE THE SOLE AND EXCLUSIVE WARRANTIES PROVIDED FOR THE SOFTWARE PRODUCT UNDER THIS LICENSE.

10. High-Risk Activities Prohibition

A list of materials included with or in the Software and provided under Third-Party Licenses is available upon request. By agreeing to be bound by this License, Licensee agrees to be bound by and to comply with all applicable Third-Party Licenses. Any breach by Licensee of any applicable Third-Party License is also a breach of this License.

12. Disclaimer and Assignment

This License, including any Exhibits or Appendix, sets forth the entire agreement and understanding between the Parties and supersedes and merges all prior oral and written understandings, representations, and discussions between them respecting its subject matter. This License may be amended only by a written agreement executed by Licensor and Licensee. No rights, obligations, representations, or terms, other than those expressly recited herein, are to be implied from the License. This License shall be binding upon and inure to the benefit of Licensor and Licensee and their respective successors and assigns, provided, however, Licensee may not assign or otherwise transfer its rights or obligations hereunder without the express written permission from Licensor, which shall not be unreasonable withheld.

13. Notices

All notices, request, consents, claims, demands, waivers, and other communications hereunder shall be in writing in English and shall be deemed to have been given: (i) when delivered by hand (with written confirmation of receipt); (ii) when received by the addressee if sent by a nationally recognized overnight courier (receipt requested); (iii) on the date sent by facsimile or email (with confirmation of transmission) if sent during normal business hours of the recipient, and on the next

business day if sent after normal business hours of the recipient; or (iv) on the third day after the date mailed, by certified or registered mail, return receipt requested, postage prepaid. All notices shall be sent to the addresses set forth under the signature lines of this License.

14. Severability and No Waiver

(a) Every provision of this License is intended to be severable, and if any term or provision hereof or thereof shall be invalid, illegal or unenforceable for any reason, the validity, legality and enforceability of the remaining provisions hereof or thereof shall not be affected or impaired thereby, and any invalidity, illegality and unenforceability in any jurisdiction shall not affect the validity, legality and enforceability of any such term or provision in any other jurisdiction.

(b) No waiver by either of the Parties hereto of any rights arising from the breach hereof shall be construed as a continuing waiver, nor shall failure to assert a breach be deemed to waive that breach or any further breach. No waiver of any of the provisions or a breach hereof shall constitute a waiver of any other provision or other breach hereof. No waiver shall be binding unless executed in writing.

15. Export Regulations

The Software may be subject to US export control laws, including the United States International Traffic in Arms Regulations (“ITAR”) and the United States Export Administration Regulations (“EAR”). Licensee shall not, directly or indirectly, export, re-export, or release the Software or Documentation to, or make the Software or Documentation accessible from, any jurisdiction or country to which export, re-export, or release is prohibited by law, rule, or regulation. Licensee shall comply with all applicable federal laws, regulations, and rules, and complete all required undertakings (including obtaining any necessary export license or other governmental approval), prior to exporting, re-exporting, releasing, or otherwise making the Software or Documentation available outside the United States.

The Software and Documentation are “Commercial Product” as such term is defined in 48 C.F.R. §2.101, consisting of “Commercial Computer Software” and “Commercial Computer Software Documentation” within the meaning of 48 C.F.R. 12.212 or 48 C.F.R. 227.7202, as applicable. Accordingly, if End User is the United States Government or any contractor therefor, End User shall receive only those rights with respect to the Software and Documentation as are granted to all other end users under license, as set forth herein, in accordance with (a) 48 C.F.R. §2.101 and §12.212, with respect to all other US Government licensees and their contractors, or (b) 48 C.F.R. §227.7201 through 48 C.F.R. §227.7202-4 with respect to the Department of Defense and their contractors. Additional terms and conditions that apply solely to the United States Government and their contractors are provided in the “Government Appendix” attached hereto as applicable.

17. Governing Law and Disputes

This License shall be governed by the laws of the Commonwealth of Virginia, without regard to conflicts of law. Any legal suit, action, or proceeding arising out of or relating to this License or the transactions contemplated hereby shall be instituted exclusively in the United States District Court for the Eastern District of Virginia or in the state courts located in Alexandria, VA, and Licensor, Licensee and End User irrevocably submit to the exclusive jurisdiction of such courts in any such legal suit, action, or proceeding. Notwithstanding the foregoing, Licensor may bring an action for equitable relief in any court of competent jurisdiction. LICENSEE AND LICENSOR WAIVE ANY RIGHT THEY MAY HAVE TO A TRIAL BY JURY IN ANY SUIT, ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS LICENSE OR THE TRANSACTIONS DESCRIBED HEREIN. Licensee expressly disclaims the applicability of, and waive any rights based upon, the Uniform Computer Information Transactions Act or the United Nations Convention on Contracts for the International Sale of Goods. Service of process, summons, notice, or other document by mail to such Party's address set forth in the Order shall be effective service of process for any suit, action, or other proceeding brought in any such court.

18. Force Majeure

Except for payments of money, no Party shall be liable for any losses arising out of the delay or interruption of its performance of obligations under the License due to any act of God, strikes, lockouts, riots, acts of war or insurgency, acts of terrorism, acts of sabotage, epidemics, governmental regulations imposed after the fact, fire, communication line failures, power failures, cloud provider failures, inability to secure materials, earthquakes, floods, storms or other disasters, or any other cause beyond the reasonable control of the Party delayed; provided that if the force majeure event continues for thirty (30) consecutive days the Parties not directly affected by it may terminate this License immediately without penalty.

19. No Withholding of Payment

The Licensee is not entitled to withhold payment due to incomplete total delivery, warranty claims, or complaints unless the right to set-off or withhold is undisputed or has been legally established by a court.

20. Basis of Bargain

The Parties acknowledge that the limitations of liability and disclaimers of warranties set forth in Article 7 and Article 9 reflect an agreed-upon allocation of risk between the Parties, form an essential basis of the bargain, and that Licensor would not have entered into this License without these limitations.
