

TERMS AND CONDITIONS

This Terms and Conditions Contract (hereinafter “Contract”) is binding by and between Owl Cyber Defense Solutions, LLC, a Maryland limited liability company (referred to herein as “Owl Cyber Defense” or “Seller”) and the person or entity identified on the Order Form as the Customer. This Contract is incorporated into and made a part of any Order between Seller and Customer.

REGARDLESS OF ANY TERMS AND CONDITIONS INCLUDED ON ANY ORDER FORM, SELLER PROVIDES THE PRODUCTS SOLELY ON THE TERMS AND CONDITIONS SET FORTH IN THIS CONTRACT. UPON THE ISSUANCE OF AN ORDER FOR PRODUCT OR SERVICES, CUSTOMER (A) ACCEPTS THE TERMS AND CONDITIONS OF THIS CONTRACT AND AGREES THAT THEY ARE LEGALLY BOUND BY ITS TERMS; AND (B) REPRESENTS AND WARRANTS: (I) THAT CUSTOMER HAS THE RIGHT, POWER, AND AUTHORITY TO ENTER INTO THIS CONTRACT AND BE BOUND BY THE TERMS OF THIS CONTRACT; AND (II) THAT THE INDIVIDUAL ISSUING AN ORDER ON BEHALF OF CUSTOMER HAS THE PROPER RIGHT AND AUTHORITY TO DO SO.

UNLESS OTHERWISE AGREED TO IN WRITING, CUSTOMER AGREES THAT NO TERMS OR CONDITIONS PUT FORWARD BY CUSTOMER’S ORDER OR OTHERWISE, SHALL BE BINDING ON SELLER. ACCEPTANCE OF ANY ORDER FOR PRODUCT IS EXPRESSLY LIMITED TO THE TERMS OF THIS CONTRACT AND THE ORDER, AND ANY ADDITIONAL OR DIFFERENT TERMS ARE OBJECTED TO WITHOUT FURTHER NOTIFICATION BY SELLER AND SHALL NOT BE CONSIDERED AS PART OF THIS CONTRACT.

NOTE THAT ANY TERMS ON AN ORDER SIMILAR TO “ACCEPTANCE OF PRICE QUOTE ONLY” AND OTHER TERMS INCLUDED IN THE ORDER WILL NOT BE ACCEPTED BY OWL, NOR WILL THE INCLUSION OF THOSE TERMS CONTROL THE ORDER UNLESS OWL HAS EXPRESSLY AGREED TO THOSE TERMS IN WRITING VIA AN FULLY EXECUTED ADDENDUM TO THESE TERMS. THE MERE ACCEPTANCE OF A PURCHASE ORDER BY OWL CYBER DEFENSE’S SIGNATURE DOES NOT REPRESENT ACCEPTANCE OF ANY ADDITIONAL PURCHASE ORDER TERMS.

1. GENERAL:

a. **DEFINITIONS.** For purposes of this Contract, the following terms have the following meanings:

“Affiliates” means, with respect to a Party, any other entity which directly or indirectly controls, is controlled by, or is under common control with such Party. For this purpose, “control” means the possession, directly or indirectly (through one or more intermediaries), of the power to direct or cause the direction of management and policies of any entity through ownership of voting securities, contract, voting trust, or otherwise.

“Customer” means the Person identified as the Customer in the Order.

“Documentation” means user manuals, technical manuals, and other materials provided by Seller, in print, electronic or other form, that describe the installation, operation, use, maintenance,

technical specifications, and deinstallation of Goods or Software Products, excluding any Third-Party Materials;

“End User” means the person or entity identified on the Order Form or identified in a License Transfer Document as the end user of the Software;

“Goods” means the Seller Hardware, products, equipment, tooling, parts, supplies, and other items supplied by Seller to Customer as described in the Order but excluding, however, the Software Product that is subject to the Software EULA (defined below).

“Order” has the meaning set forth in Section 2.a below.

“Party” or “Parties” refers individually to the Licensor, Customer, or End User or collectively each and/or two or more of the Parties to this Contract as appropriate.

“Person” means an individual, corporation, partnership, joint venture, limited liability company, governmental authority, unincorporated organization, trust, association, or other entity.

“Third Party Materials” means any hardware, equipment, components, accessories, software, content, data, or other materials, including related documentation, that are manufactured, produced, licensed, branded, and/or provided by third parties and supplied by Seller to Customer under an Order.

b. All Orders must be in writing and are accepted subject to this Contract. No terms or conditions put forward by Customer’s Order or otherwise, which are inconsistent with this Contract, shall be binding on Seller unless expressly agreed in writing by Seller. The mere signature acceptance of an Order does not represent such “writing.” Instead, in order for any terms other than these terms to apply, Seller must include a statement as part of its acceptance of the Order that Seller is accepting Customer’s terms and conditions in lieu of these terms and conditions.

c. The Seller’s TSP and any applicable Seller Software EULA(s) (individually and collectively referred to herein as the “Software License”) referenced or provided by Seller in connection with this Contract are incorporated herein by reference and contain additional

terms and conditions applicable to Customer's Order and Seller's sale of any Goods and/or software to Customer.

d. If Customer is purchasing a license for the Software on behalf of an End User of the Software that is different from Customer, Customer represents, warrants, and covenants that: (i) Customer is acting as such End User's authorized agent and has the right, power, and authority to accept the EULA on behalf of such End User and to bind such End User to the terms of the EULA and TSP referenced or provided by Seller in connection with this Contract, and (ii) Customer shall provide End User with a copy of the EULA and TSP and shall notify End User in writing that its acquisition and use of such software is subject to and governed by the terms of such agreements, to which End User is legally bound.

2. ORDERS:

a. Each purchase order (each, an "Order") for the purchase and sale of Goods and Software shall be entered into hereunder by Seller's issuance to Customer of a quote therefor and Customer's acceptance of such quote, or Customer's issuance to Seller of a purchase order (in a form agreed to by Seller from time to time for such purpose) and Seller's acceptance of such purchase order, in each case with such Order being accepted only on the terms set forth in this Contract.

b. Unless otherwise agreed to by Seller in writing, each Order shall contain the following: (A) Quantity, Product Numbers, Price and Seller Quote Number; (B) Total Price (Resale certificate, if applicable); (C) Ship to: Name, Address, Phone Number; (D) Bill to: Name, Address, Phone Number; (E) Technical Point-of-Contact: Name, Address, Phone Number; (F) Purchasing and/or Procurement Contact: Name, Address, Phone Number; (G) Requested method of payment; (H) Requested Delivery Date; (I) if Customer is purchasing software or products which incorporate software on behalf of an End User that is different from Customer, the Order shall identify the End User; and (J) US Government contract number (required for commercial customers to receive US Government Direct Price).

c. Seller may, at its sole discretion, cancel outstanding Orders for Goods or Software with no liability to Customer upon a claim or allegation by Customer or a determination by Seller that such Goods or Software have or may have a defect which could endanger the safety of any person or property.

d. Upon execution or issuance of an Order, Customer shall provide a Payment Bond in the amount of 100% of the Order Price if the Customer does not have at least an "A-" rating with the Better Business Bureau (or no rating at all). The Payment Bond shall be made payable to Owl Cyber Defense. The costs of the Payment Bond shall be solely at Customer's expense. In the event that Customer does not provide the required Payment Bond, Owl Cyber Defense shall not ship product and will consider the lack of the Payment Bond to be a material breach of the Order and will terminate the Order with the Customer in accordance with the Contract referenced in the Quote and incorporated in the Order.

3. DELIVERY; SHIPPING:

a. **All periods stated for delivery or completion are to be treated as estimates only not involving any contractual obligations unless otherwise expressly agreed to by Seller in writing.**

b. If delivery is delayed due to any act or omission of Customer, or if having been notified that Goods or Software are ready for dispatch, Customer fails to take delivery or provide adequate shipping instructions within 48 hours, Seller shall be entitled to place the Goods or Software (media) into suitable storage at Customer's expense. Upon placing the Goods into storage, delivery shall be deemed to be complete, risk in the Goods shall pass to Customer and Customer shall pay Seller accordingly.

c. Except for payment obligations, neither Party will be responsible for failure of performance due to an event beyond the affected Party's reasonable control, including unforeseeable production or shipping disturbances, war, acts of terrorism, fire, casualty, severe weather events, acts of God, unforeseeable shortages or unavailability of labor, utilities or raw materials and supplies, strikes, lockouts, epidemic, pandemic, government regulations or control, government acts or authority, government shutdowns or emergency declarations, embargos, the unavailability of the Internet or portions thereof, and any other hindrances beyond the control of the Party obliged to perform. Any such events shall relieve the affected Party from its performance obligations (exclusive of payment obligations) as long as and to the extent that the hindrance prevails. If, as a result of the hindrance, supply and/or acceptance is delayed by more than twelve (12) weeks, either Party shall have the right to cancel the Contract. Should Seller's suppliers fail to provide supplies in whole or in part, the Seller shall not be under obligation to purchase from other sources.

d. Shipping is generally arranged using two-to-three-day express delivery. For all domestic and international shipments, shipping is F.O.B origin (Inco ExWorks). The Customer may order "shipping" from Owl Cyber Defense as part of an Order. Regardless of whether shipping is part of an Order or not, the title and the risk of loss will still pass to the Customer once the shipment leaves Owl Cyber Defense's premises. Unless the Customer orders, as part of its Order, "shipping," the Customer must provide shipping instructions with a carrier of its choice and pay that carrier. The Customer is always responsible for any import/export charges that may be incurred for any Order. Except as otherwise provided in the TSP, return shipping is Customer's responsibility, to include making arrangements for a U.S. importer to clear U.S. Customs and ship on to Owl Cyber Defense.

e. Promptly after receipt of each delivery of Goods or Software Product, Customer shall inspect said Goods or Software Product. All claims for shortages must be made within fourteen (14) calendar days after Customer's receipt of the Goods or Software Product. Except as provided in Section 6.b. below, all claims not made in writing within the time periods specified in this Section 3.e. shall be deemed waived.

4. FINANCIAL TERMS:

a. Payment shall be made in full in U.S. dollars within thirty (30) days from Seller's invoice date, without set-off, counterclaim, or withholding of any kind (save where and to the extent that this cannot be excluded by law).

b. Goods and Software Product will be invoiced upon shipment or at any time after their readiness for dispatch has been notified to Customer.

c. Without prejudice to Seller's other rights, Seller reserves the right to: charge simple interest on any overdue sums at 1.5% per month during the period of delay; suspend performance with any Goods or Software Product (including withholding shipment) in the event that Customer fails, or, in Seller's reasonable opinion, it appears that Customer is likely

to fail to make payment when due; and at any time require such security for payment as Seller may deem reasonable.

d. If the Customer fails to pay the amounts due and Seller must take some action to get paid, to include accrued interest, then Seller shall also be entitled to any and all monies Seller incurs to get paid, to include, but not be limited to, attorney's fees.

e. Unless otherwise stated, prices do not include applicable quotation fees, taxes, excises, duties, or other governmental impositions which Seller may be required to pay or collect. Any such applicable taxes, duties, etc. will be paid directly by Customer.

5. CONFIDENTIALITY:

a. All non-public, confidential or proprietary information of Seller, including but not limited to technical specifications, algorithms, product design and configuration, samples, patterns, hardware and software designs, plans, drawings, documents, data and data structures, business operations, customer lists, pricing, discounts or rebates, disclosed by Seller to Customer or End User, whether disclosed orally or disclosed or accessed in written, electronic or other form or media, and whether or not marked, designated or otherwise identified as "confidential" in connection with this Contract is confidential, solely for the use of performing this Contract and may not be disclosed or copied unless authorized in advance by Seller in writing. Upon Seller's request, Customer and End User shall promptly destroy or return all Documentation and other materials received from Seller. The foregoing does not apply to anything that is stored on routine back-up media solely for the purpose of disaster recovery subject to destruction in due course, provided that, employees are precluded from accessing such information in the ordinary course of business prior to destruction. Seller shall be entitled to seek injunctive relief for any violation of this Section. This Section does not apply to information that is: (i) in the public domain through no breach of this Contract or wrongful act on the part of Customer or End User; (ii) already known to Customer or End User at the time of disclosure; (iii) rightfully obtained by Customer or End User on a non-confidential basis from a third party; or (iv) disclosed with Seller's prior written approval.

b. Customer and End User agree not to disassemble, decompile, or otherwise reverse engineer the Goods or Software Product provided by Seller.

6. WARRANTY.

a. Seller warrants that the Goods and Software media will be free from defects in material and workmanship for a period of one (1) month from the scheduled delivery date ("Warranty Period"), so long as the Customer/End User has also purchased a minimum of a one (1) year maintenance contract commencing on the same start date as the Warranty start date. During the Warranty Period, Seller will replace the Goods and Software media or any part thereof, which fails under normal use as a result of a defect in material or workmanship.

b. This warranty does not include damage to the Goods or Software media resulting from: accident; or misuse; improper installation or operation; or violation of this Contract; unauthorized or improper repair, replacement or alteration (including, but not limited to, repairs, replacements, or alterations made or performed by persons other than Seller's employees or authorized representatives); unreasonable use or abuse of the Goods or Software Product; or failure to follow written installation or operating instructions.
